

**AMENDMENT TO THE DRAWINGS**

Please replace the previously filed drawing sheet containing Fig. 10 with the attached replacement sheet containing Fig. 10. Applicants state that no new matter has been added either by deletion and/or addition. Accordingly, acceptance of the replacement sheet of drawing containing Fig. 10 is respectfully requested.

**REMARKS**

Entry of this Amendment in supplement to the previous Amendments is respectfully requested.

The present amendment is in response to the Office Action dated June 11, 2010, indicating that the reply filed on March 19, 2010 is non-responsive because it does not respond to the question raised on page 3 of the March 12, 2009 Office Action concerning numeral 14 in Fig. 10. Accordingly, the new replacement sheet for Fig. 10 corresponds to the replacement sheet of drawing submitted most recently with the March 19, 2010 Supplemental Amendment, but with numeral 14 deleted. Accordingly, the deletion of numeral 14 obviates the objection raised on page 3 of the Office Action dated March 12, 2009. Therefore, acceptance of the attached replacement sheet of drawing and proceeding with examination in this matter is respectfully requested.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

To the extent necessary, Applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Antonelli, Terry, Stout & Kraus, LLP Deposit Account No. 01-2135 (Docket No. 500.40530X00), and please credit any excess fees to such deposit account.

Respectfully submitted,  
**ANTONELLI, TERRY, STOUT & KRAUS, LLP**
